

**New Uniform Policy for 2009-2010 School Year  
Please read carefully!**

**First Christian School  
Uniform Policy  
K-8<sup>th</sup> Grade**

FCS has changed uniform vendors for most of our uniform. We are now part of the Preferred School Program from Lands' End. You will be receiving a catalog and our school code. Because we are part of the Preferred School Program, Lands' End will be donating 3% back to FCS per year for all the uniform purchases that are made using our school code. The school code is required for all purchases. Our logo will be on all shirts and outerwear. All Rampart Plaid items will remain with Dennis Uniforms. If purchases are made during the remainder of this school year, 2008-2009, you are encouraged to use the school code provided and order all new items through Lands' End. This will help you save money and be in compliance for next year.

There will be a one year grace period for the uniforms that you currently have however, the following items will no longer be worn:

**K-5<sup>th</sup> Elementary**

Grey pants or shorts  
Light blue Polo's  
Girl's dark socks or Leggings

**6<sup>th</sup>-8<sup>th</sup> Middle School**

Khaki pants, skirts, shorts, or cropped pants  
Navy Polo's  
Girl's dark socks or Leggings
